DEPARTMENT OF FISHERIES AND OCEANS

ATLANTIC FISHERIES SERVICE

The directory of Atlantic Coast fishermen and fishing vessels lists those who participated in the domestic commercial fishery on the Atlantic in 1984, their fishing vessels and the limited entry fisheries to which they have access.

As in previous years, fishermen have been categorized as full-time or part-time based on their fishing activity and their dependence upon the fishery for their livelihood. This program is slightly different for inshore fishermen in the southern Gulf of St. Lawrence where fishermen have been categorized as bonafide or commercial as part of a licensing pilot project, implemented in response to a request from fishermen in that area. Although the categorization process is different in the southern Gulf, bonafide fishermen can be considered to be full-time. The categorization process has not yet commenced in the Province of Quebec but should be completed in 1985.

The data provide an accurate summary of 1984 licensing files, but are subject to change without notice as fishermen retire or leave the commercial fishery and vessels are replaced or transferred.

MINISTERE DES PECHES ET DES OCEANS

SERVICE DES PECHES DE L'ATLANTIQUE

L'Annuaire des permis de pêche de l'Atlantique contient la liste des pêcheurs qui ont participé à la pêche commerciale canadienne dans l'Atlantique en 1984, de même que le nom de leur bateau et les pêches à accès limité qui leur étaient accessibles.

Comme par les années passées, les pêcheurs ont été répartis en pêcheurs à temps plein ou à temps partiel en fonction de leurs activités et de leur dépendance envers la pêche comme moyen d'existence. Le programme diffère légèrement dans le cas des pêcheurs côtiers de la partie sud du golfe Saint-Laurent qui ont été placés dans la catégorie des pêcheurs bonafide dans le cadre d'un projet pilote de délivrance de permis mis en place à la demande de pêcheurs de cette région. Le mode de catégorisation utilisé est différent, mais ces pêcheurs bonafide peuvent être considérés comme des pêcheurs à temps plein. Le processus de catégorisation n'a pas encore débuté dans la province de Québec, mais il devrait être terminé en 1985.

Les données résument de façon exacte les dossiers de délivrance de permis de 1984, mais elles peuvent être modifiées sans préavis suite à la retraite de pêcheurs ou à leur abandon de l'activité, et au remplacement ou au transfert de bateaux.

DIRECTORY GUIDE FOR LIMITED ENTRY LICENCE CODES

The limited entry licence profile provides the reader with a two character code. The first character indicates the species and the second character indicates the gear type EXCEPT in the cases of shrimp and lobster or scallop in which cases the second character indicates the area fished.

GUIDE DES CODES DES PERMIS DE PÊCHES RESTREINTES

Cet aperçu des permis de pêches restreintes offrent au lecteur des codes à deux caractères. Le premier caractère fait référence à l'espèce, tandis que le deuxième indique le type d'agrès de pêches, SAUF dans le cas de la crevette, du homard ou du pétoncle ou le deuxième caractère représente alors la zone de pêche.

ALL SPECIE CODES ARE THE SAME REGARDLESS OF PROVINCE
